## *About Us*

*“Feel the comfort from our customized services”*

Leadking Air Service Pvt. Ltd., Chennai was incorporated in the year 1993. Leadking has set its own platform in developing air and sea cargo services and has carved a niche for itself as the market leader in freight forwarding and customs clearance.

Having gained valuable experience over the years, we provide total logistics solution to various customers in the most economical way covering air and sea transportation. We are committed to provide the best service to the trading community with unique customer care and attention.

## *Leadking Team*

With his magical words and deeds, Mr.S.Brahmiah has nurtured his team, paving the way for the company to grow to its present staff strength of one hundred dedicated professionals.

Analyzing the individual cargo needs of our clients and catering the same, ensuing contentment has been the constant focus of our dedicated team of professionals. Our motto is customer's satisfaction through new standards with advanced planning of cargo movement with respect to its description.

We ensure that we personally attend to the specific requirements of our valuable clientele right from the beginning of the cargo movement, giving all round importance to quality of service and cost effectiveness.

For a decade the company has been involved in routing collection and delivery of consignments for our patrons around the globe in a swift and reliable transportation mode. Leadking aims at providing e-cargo solution with global network.

## *Our Services and Performance*

### *Air Transportation*

Leadking is well positioned to meet any kind of export and import of air cargo around the globe. We understand that air freight is a premium and expensive service, so our program is to concentrate on quick transit and constant communication, combined with the ability to seize cost saving opportunities. We have the expertise and network required to take the entire burden off your shoulders.

Reliability is what customers expect in today's business community. That's why we secure the space allocations, on time service performance and flexibility that customers and partners demand.

We are highly equipped for handling transportation in the field of any commodity like Textiles & Textiles related Machinery, Automobile Spares, Engineering Equipments, Leather Goods, Electrical & Electronic Equipments, Computer Accessories, Pharmaceuticals, Chemicals (Hazardous / Non-Hazardous Goods), Food products & Unaccompanied Baggage etc.

### *Sea Transportation*

Our sea freight services encompass capabilities for handling less-than-container load (LCL) and full-container load (FCL) shipments, break bulk cargoes to world wide destinations. We offer customers highly flexible services (carrier choice), global visibility and monitoring capabilities. We provide industries best freight rates and premier carrier services and guaranteed vessel connections. We stand by our commitment to quality, dependability and efficiency etc.

We are conveniently situated near the seaport, customs and ICD. Hence we could provide a speedy customs clearance.
